Weekly Message

Dear Robert Warren families,

Our students had an amazing time at the Be Brave Hockey Game, cheering on the Calgary Hitmen team and joining students from across the city in support of the End Bullying Campaign. The energy in the arena was incredible, and it was inspiring to see so many young voices united for such an important cause.

We sincerely appreciate our school community for making this experience possible. A special thank you to our parent volunteers—your support makes field trips like this a reality! Because of you, our students enjoyed an exciting and meaningful opportunity that they will surely remember.

Enjoy the wonderful weather this weekend!

2024-2025 Alberta Education Assurance Survey

Alberta Education wants to hear from parents! The Alberta Education Assurance Survey (AEAS) is open from Feb. 18 to March 21, 2025, giving families the opportunity to provide valuable feedback about their child's school experience.

Parents of students in Grades 4, 7, and 10 will receive a unique access code to complete the survey online. If you have more than one child in these grades, you'll receive a separate code for each. Student surveys will take place at school during the same timeframe.

Your input helps shape the future of education in Alberta. Watch for your access code and take a few moments to share your voice!

Join Our Parent Book Club – Now Open to Feeder Schools!

We're excited to welcome parents from our feeder schools to join our Parent Book Club, fostering a stronger community and supporting students from K-9. This is a great opportunity to connect, share insights, and engage in meaningful discussions.

Our next meeting is on April 10, and we look forward to a thoughtful and engaging conversation with all participants. A reminder will be sent out closer to the date.

For questions, please contact Ms. Courtney Keen at clkeen@cbe.ab.ca. We hope to see you there!
