Location: TEAMS Virtual Meeting - [Join the meeting now](#)

YOUR INVOLVEMENT MATTERS. JOIN ROBERT WARREN SCHOOL COUNCIL!

Welcome, we are excited to start the new school year at Robert Warren and are looking for **parent volunteers** to help **fill some key** School Council positions.

What does the School Council do? We represent the parent community to our School Administration, coordinate volunteers for a couple of events, and support learning and student activities through a small number of fundraisers. This past year, we provided funds for desktop computers, gym equipment, outdoor area upgrades, and specialized instructors for wrestling and art.

How much time does it require? Parents in these roles spend just a couple of hours each month completing role tasks, helping organize fundraisers, or attending our one-hour monthly meeting with School Administration.

What positions need filled? We have four key positions we need to fill in order to keep funding flowing to the school and support school activities.

President

- Prepare meeting agendas with School Administration for eight School Council meetings in the school year and chair meetings
- Work with School Administration to identify educational materials and programs that would benefit from School Council funding support
- Work with School Council to identify fundraisers to support school needs
- Liaise with School Administration as needed to represent parent views on specific education and learning issues

Vice President

- Support President as needed in preparing meeting materials or chairing meetings
- Lead initiatives as required to support school programs

Fundraising Lead (non-executive)

- Coordinate fundraisers with potential fundraising suppliers
- Coordinate volunteer requirements with Volunteer coordinator

How will I know what to do in the role? Our current volunteers in these roles will work with you to explain the role and support a smooth transition. Most of our parents in these roles will also be available through the next school year to answer questions you have as you go through the role.

I'm interested in learning more. What now?

Contact us at robertwarrencouncil@gmail.com. And join us at our School Council meeting September 17, 2024 where you can ask questions and we will elect parents into these roles.

Sincerely,

The Robert Warren School Council Team
