Approval of Feb 2025 Agenda	Alexis	Maria
Approval of Jan 2025 Minutes	Alexis	Faye

INTRODUCTION	RESPONSIBLE
Acknowledgement of the Land	Alexis S.
Quorum verified	Alexis S.

PRINCIPAL'S REPORT	RESPONSIBLE
Principal's Update ● Learning leaders will attend the March 2025 meeting. ● 2025 School Planning Engagement ○ Discussed School Development plan in Nov 2024, this included instructional strategies, professional learning, school structures and processes for learning, resources to improve student learning, data-informed decision making. ○ School goal (trend goal for all 6 middle schools): academic achievement in numeracy in bilingual learning environments. Overall, RW students are performing very well in both literacy and mathematics. Literacy is greater due to the bilingual learning environment; learning in a bilingual environment elevates children's literacy skills. Students are showing high levels of engagement in literacy. ○ Areas for improvement: ■ number sense and pattern & relations ■ students seek more engagement in mathematics. ○ Internal Tracking: RW staff are working on organizing data to provide appropriate support. This includes checking indicators during report card distribution, identifying IPP supports or not, or additional engagement required. ○ Formative Processes - the focus group of teachers supporting numeracy and literacy meet regularly to solve any challenges. ○ Perception Data- principal advisory group continues to provide requests from students. This is a great opportunity to learn about what's important to the students. ○ RW is collaborating with other middle schools to think about ideas to support students' growth and understanding, especially as it pertains to applying mathematical and literacy skills to everyday life. ○ Truth and Reconciliation: Elder Shirly will attend RW Wednesday Feb 19, Thursday Feb 20 to teach students about indigenous ways of learning. This was supported by students. ○ School budget: RW received \$2,112,471.00 for 2024/2025 school year. This budget covers everything required to provide quality education and the school development plan. ○ School trips: we have an array of field trips, in-school activities, residencies and sports opportunities this school term to suit the varying interests of our students. ○ Next steps: summary of feedback will be gathered and shared. An updated school development plan will be posted on the school's website by Nov 30, 2025.	Kristal D. Alejandra F.
