Weekly Message

Dear Robert Warren families,

We are excited to share an important opportunity for all Grade 9 students! On the morning of **Thursday, November 28th**, our students will be visiting **Crescent Heights High School**. This visit will provide a comprehensive introduction to the diverse complementary courses, activities, and programs offered not only at Crescent Heights but across all CBE high schools.

During the tour, students will:

- Learn about high school life and expectations.
- Explore the Spanish Bilingual Program and other unique learning options.
- Reflect on what matters most to them in their high school journey.

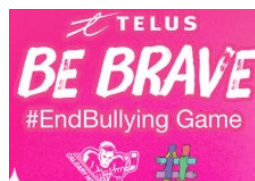

As our students come from a large catchment area in the South, this visit plays a key role in ensuring that everyone has the chance to discover and consider the various schools and programs available within the Calgary Board of Education.

We are thrilled to offer this experience to all Grade 9 students and look forward to supporting them as they begin planning for the next exciting chapter in their education.

Have a wonderful weekend, keep warm!

Kristal Derbyshire, Principal

School Council – VOLUNTEERS NEEDED!

We are thrilled to be gearing up for our AGLC Casino supporting Robert Warren! All Robert Warren casino volunteers make a tremendous difference. Did you know that one volunteer shift at the Casino is, on average, equivalent to a \$2,300 donation! Casino dollars go directly to helping enrich the lives of our children within the school. Just think what a difference one day of your time can make for all the children of our school community! Volunteers may sign up for both days, but it must be the same position for each day. All volunteers will be trained on site during their shift. No previous experience required. No CBE clearance required. All volunteers must be at least 18 years old, have valid photo ID, and do not have a criminal record. A meal will be provided during all shifts. Volunteers are expected to refrain from gambling or consuming alcohol at the casino over the course of our two-day event. You will meet some great people and have some FUN too!
