Weekly Message

Dear Robert Warren families,

This week, we had the privilege of visiting our feeder schools, Eugene Coste and Canyon Meadows, to meet with the Grade 5 students who will be joining our school community next year. It was wonderful to see their enthusiasm, hear their thoughtful questions, and share in their excitement. They especially enjoyed the video created by our current students, showcasing the many amazing opportunities and experiences at Robert Warren.

I would also like to extend a heartfelt thank-you to our incredible student helpers who supported our Open House last night. Your leadership and enthusiasm were greatly appreciated. To our current and new families who attended with their Grade 5 students, thank you for making the evening such a success. It was a wonderful reminder of the strength and vibrancy of our students, staff, and parent community.

For our current Grade 9 students and their families, please take a moment to review the open house dates listed below, as many high school open houses are coming up. Next week, on Thursday, January 23rd, our Grade 9 students will visit Dr. EP Scarlett for their daytime student tours. As the majority of our students transition to EP Scarlett, this tour will help them prepare for this exciting next step.

This time of year can bring a mix of emotions as students in both Grade 5 and Grade 9 prepare to enter new schools next year. As a school, we are committed to working closely with students, families, and schools to ensure these important transitions are smooth and supportive. Thank you for your continued support and partnership. Have a wonderful week!

Warm regards,

Kristal Derbyshire, Principal

Parent Book Club Invitation

We are excited to invite parents to join our upcoming book club featuring *The Anxious Generation* by Jonathan Haidt. This insightful book explores the rise in adolescent anxiety and depression, examining the roles of technology, social media, parenting, education trends, and sociopolitical change. It also offers solutions and recommendations to support adolescent wellbeing. The book club will meet twice: once in late February to discuss the book's first half and again in early April to explore the second half (exact dates to be determined).

This is a great opportunity to connect with other parents and engage in meaningful discussions about supporting our youth. If you're interested in participating, please email Ms. Courtney Keen at clkeen@cbe.ab.ca.
