PRINCIPAL'S REPORT	RESPONSIBLE
<p>Principal's Update</p> <ul style="list-style-type: none"> • 2026-2027 school registration is open. On Thursday, Jan. 15th we hosted an open house at RW. We welcomed 270+ people. Principal and V.President also visited Canyon Meadows and Eugene Coste Grade 5 students on Jan 15th 2026. • In April, our Grade 5 students will visit RW to explore the Grade 9 Electricity Fair. • In late May, Grade 5 students are invited to attend a school tour at RW. • The parent transition information package will be shared with grade 5 parents in early June. • Volleyball league has started this week. • Semester 1 ends Jan 27, and semester 2 starts Jan 28. Semester report cards will be released Feb 24 on myCBE. • RW is a high-performing and high-equity bilingual school, with strong literacy and bi-literacy achievements, and numeracy growth. 77% of students are reporting a trusted adult connection at RW. • Alberta Education Assurance Measure results report: results are perception-based not achievement-based. RW is a high-equity school. We had a smaller perception group, vs. previous years, which impacts results. RW has strong outcomes but more cautious perception ratings. RW are actively strengthening engagement and quality that are within our control. • High School Transitions and Pathways - RW students typically have 5 feeder schools, and 1 Spanish program school. High school counsellors have been and will be visiting RW to share information about the high schools. Students are learning about the programs offered so they are aware of topics to choose during registration, and be prepared for open houses. Open house information can be found on the RW website. Registrations are due mid-February. For additional information, please contact to Sr. Keith Hall. 	<p>Kristal D. Alejandra F.</p> <p>Keith Hall</p>
